Subject: McNulty Gulch

Bert asked for a meeting this afternoon regarding McNulty, basically he would like to go over the map of the area in order to better understand the area. Bert is meeting with Joan tomorrow, hopefully we can put this thing to bed.

Toney, it sounded like you said you will be here around 1, is that correct?

Julia, are you available to call into Berts office this afternoon?

Please let me know your availability so I can tell Bert.
